Komputer Kids Announcement

Komputer Kids is pleased to announce open registration for our summer computer camp. We are celebrating our 34rd year of exposing youth to STEM. Co-sponsors for this year's camp include Arizona Community Foundation, Phoenix AKARAMA Foundation, Alpha Kappa Alpha Sorority Inc., PepsiCo, Arizona State University and KomputerED Tools, Ilc.

VOLUNTEERS and STAFF

- This is your chance to have an impact in the area of STEM on our children!!
- The Computer Camp is divided into three Classes: 1) BITS junior high 2) BITS high school and 3) BYTES returning students. There may also be an ADVANCED CLASS for some returning students. Students will be given a pre-test to determine to which class they will be assigned.
- Our expanded program PRE-BITS includes a fourth level for 2nd through 6th graders
- We are looking for teachers and teacher assistants. We are seeking volunteers to serve as teacher assistants (Pre-Bits, Bits, Bytes).
- This is an opportunity for high school seniors and college students to learn to code and assist our students in learning to write code. High School Seniors and College students should sign up as teacher's assistants.
- Although Engineers and Scientists are the best volunteers for these classes, the training will provide enough information for parents and other community members to contribute. We truly appreciate any assistance that you may be able to provide, even if it just for one Saturday.
- The Teachers' and Assistants' Workshops will be held June 10th and June 24th from 9:00 AM 1:00 PM in at the Tempe Library BRiC training room. Please bring your laptop. There will only be 4 available for class usage.
- There is a form at the bottom of this document for you to input your name and the dates you know you will be available to assist this summer. Note the first two Saturdays are training days.
 - ⇒ Retaining info
 - \Rightarrow Coding the process
 - ⇒ Practice coding
 - ⇒ Debugging
 - ⇒ Practice Debugging
 - ⇒ How to make sure students retain what we are teaching

Komputer Kids Announcement

GENERAL INFORMATION

- The Computer Camp is a fun educational STEM activity for students to learn fundamental skills that will prepare them for the rigors of high school, college and life.
- They learn critical thinking and problem solving skills while learning to write simple computer programs.
- Scheduled each week just before the programming classes is a one hour Personal Growth Workshop.
- The Computer Camp is for students entering the 2nd 11th grade.
- The Computer Camp is held on six consecutive Saturdays (excluding July 1th weekend)- June 24th, July 8th, 15th, 22nd,29th& Aug 5th
- The Computer Camp starts at 8:30 AM and ends at 2:00 PM each Saturday.
- The Computer Camp is held in Lattie F. Coor Hall on Arizona State University's Tempe Campus.
- Coor Hall is located southeast of the intersection of University and Mill Avenue.
- Coor Hall's address is 976 South Myrtle Avenue, Tempe, Arizona, 85287.
- Covered free parking is available just north of Coor Hall.
- To pre-register in the Computer Camp go on line at http://www.komputerkidsaz.com
- **Formal Registration** is scheduled from 9:00 AM 12:00 PM on June 17th.
- Formal Registration is to be held in room TBD in Coor Hall.

Please input your name, and your cell/phone number. Put a T if you are interested in teaching a class otherwise put an A in the T or A column. Put an X in PBits if you want to work with the little ones (2^{nd} through 5^{th} grade), Bits for 7^{th} and 8^{th} grade, 9^{th} - 11^{th} for Bytes. In addition put an X in the days that you will be in attendance. Thanks a bunch.

Please return with your info filled in. Thank you.
